[15 December, 2006]

RAJYA SABHA

Since Annual Health Check up for CGHS beneficiaries, at Central Secretariat First Aid Post, New Delhi is under taken with prior appointment the present position of staff is sufficient to meet the requirement.

(b) and (c) Provision to undergo various test/procedures from private recognised hospital/diagnostic centres, as recommended by the Government specialist/CMO in-charge, after obtaining permission from the competent authority already exists.

Polio cases in Delhi

2646 SHRI VIJAY J. DARDA:
SHRIMATI MOHSINA KIDWAI

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that Delhi's Polio free record since January, 1995 has been blighted and that WHO has confirmed that four polio ridden cases have come to light;

(b) if so, how this has happened and whether its source of infliction has been identified and preventive steps has been taken to avoid recurrence of such a situation, and

(c) whether Government effectively would intensify the immunization drive in Delhi and neighbouring regions, especially the NCR, so that Government's aim of polio-free conditions could be created in a foreseeable future?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) to (c) After July 2006, 5 cases of wild polio virus have been reported from Delhi. The genetic sequence has confirmed that source of infliction in one case is from Bihar and the source of remaining four cases is awaited.

To avoid recurrence of such is situation and achieve earlier interruption of polio transmission following actions are being taken:—

- High quality Supplementary Immunization Round were implemented in September and November, 2006. Two more immunization rounas are planned in the month of January and February, 2007.
